Falls Lake Academy is committed to developing, establishing, and maintaining the highest practical standards for academic achievement and college readiness possible for the students who attend and graduate from FLA. To that end, the Board recognizes the need to raise the bar in terms of minimum acceptable academic performance from the minimum set by the State of North Carolina.

For all student work assigned and accomplished at FLA, the minimum passing grade shall be a numeric 70, or the lowest grade of "C" available in the FLA 10-point grading system.

All FLA administrators and teachers are instructed to establish this minimum score of C-70 in all coursework for all students.
