Cross References:

In keeping with the provisions of NC state law, the FLA Board of Directors will conduct criminal and sex-offender background checks on all recommended candidates for employment. These background checks should go back a minimum of 10 years unless a shorter time frame is required by law.

~~and~~ All persons seeking approval to serve as volunteers in the school who might, in the course of such service, have direct contact with and/or interaction with the students will also have a criminal history and sex offender background check completed.

Such FLA background checks will meet or exceed the standards in place by Granville County Schools with regard to their own background check processes which are in place at the time such checks are conducted.

All FLA agents, contractors, employees, and administrators are directed to comply with the provisions of this policy in the conduct of criminal and sex-offender background checks.
