

WAVIER AND RELEASE FOR PARENTS OF WALKING STUDENTS

The Board of Directors of Falls Lake Academy, while understanding it is the parent's right and prerogative to allow their individual children to walk to and from Falls Lake Academy, strongly discourages this practice for the safety of our students and their families. However, if a particular family still wants their child or children to walk to or from school, the Board of Directors of Falls Lake Academy, along with the Principal and Staff, require each family to follow the guidelines listed below and sign this waiver and release.

Guidelines:

- Students must live within a one mile radius of the school in order to walk home.
- Students in grades 4 and up may walk home.
- Students in grades K-2 may not walk home unless accompanied by a sibling in grades 4 and up.
- Students must utilize sidewalks where available and follow traffic guidelines from the NCDOT.

Waiver and Release

I, _____ parent/guardian of _____, agree to waive all responsibility of Falls Lake Academy, the Principal, and all staff, with respect to the safety and well-being of my child when walking to or from school. The school will be responsible only to see that my child reaches the predetermined and designated space and release point for those students allowed to walk to or from school. Once my child has reached this designated area, I understand that I further release the school and its Board of Directors, Principal, and all staff from all responsibility to my child with regard to his or her safety and well-being.

Hold harmless

I, _____ parent/guardian of _____, also agree to hold Falls Lake Academy, the Principal, and all staff harmless as to any injury to my child once he/she is released from designated area, as well as hold the same harmless as to any activities, legal or otherwise, that have therefore become the responsibility of my child or me as parent of the individual child.

Indemnification

I, _____ parent/guardian of _____, also agree to Indemnify Falls Lake Academy and the Principal and staff of any and all litigation that results from my parental request for my child to walk to or from school.

I have read and understood all that is contained above, and while I understand the Board of Directors' and Principal's and staff's objection to children walking to or from school, I still, based on my wish to allow my child to walk to or from school, agree to waive, release, and hold harmless Falls Lake Academy, the Principal and staff, and also agree that I will indemnify the same from all litigation that results from my parental wish to allow my child to walk to or from school.
